

Greetings in the wonderful name of Jesus, it is such a pleasure to me to get this opportunity to write this letter to you.

My name is Weliswa Rinah Yantolo, I'm a child of God who's passion is to work for the Lord for the rest of my life.

Since I accepted the Lord as my saviour, I never knew what the Lord had in mind for me. I started to preach the gospel in the bus on my way to work and from work in 2008 since then I never stopped spreading the good news of the gospel of God.

At the beginning of March '14, I started to give teenagers the bible classes. To me it was very amazing the way these kids are growing very fast and quick. I always had a passion in my heart to rescue teenagers from the devil. The day I started the bible classes, there were three kids at my home. What amazed me on that day, was the way the holy spirit was flowing through me, I felt the power of God all over my body and these kids were concentrating in a way like they never heard about the Lord before. That same night when I went to bed, I had a dream about three fishes in the house. These fish were tasty and I knew my dream referred to ministering. My purpose is to rescue the life of the teenagers from the devil as we can see out there, many teenagers at schools they are a huge target of the devil and the Satanist is using these kids to destroy their parents and Christians. I believe by teaching them the word of God, it will really open their eyes and brighten their lives.

I decided to ask for bible donations, as we're having a shortage of bibles. At the moment there are thirteen kids (13) and I believe that we're still going to grow as we are serving our Lord with open hearts.

Your assistance is highly appreciated.

Blessings,

Rinah.
